11 Courses Tought	Diploma	Degree
	Emerging Trends In Electronics	System Engineering
	Embedded System	Digital Signal Processing .
	Microcontroller and Applications	Microprocessors and Microcontroller
	Industrial Instrumentation	Audio Video Engg
	Mobile and Wireless Communication	Control System
	Applied Electronics	Computer networking
	Basic Electronics	Optical Fiber communication
	Consumer Electronics	Microwave Engineering
	Basic Workshop practice (Electronics)	
	Elements of Electronics Engg.	
	Digital Techniques	
	Electronics Measurement and Instrumentation	

12	Research guidance (Number of Students)	Nil
13	Patents (Filed and Granted) Nil	

14 No. of Books published

For the Book titled " Fundamentals of Electrical and Electronics Engineering" Aligned with NEP 20 and OBE under Technical book writing project of AICTE worked as reviewer and now book is available in 18 Indian Languages

In BLM project of MSBTE 10 courses BLM worked as mentor.

26 Technical books of diploma and degree level were authored by me . These books are having ISBN and are as per MSBTE , Zarkhand , SPPU , KBNMU , Shivaji University Kolhapur.

15 . No. of papers published in National/ International Journals/ Conference 02			
Sr No	Conference	Title of Paper	Organization
1	International conference Combinatorics ,Statistics ,Pattern Recognition and Related Areas	Alphanumeric Character recognition using Back propagation Neural Network	Dept. of Mathematics , Statistics and computer Science University of Mysore , Mysore
2	International conference on Mathematical model of neural network	Mathematical Aspect of Neural Network	Tensor society of Japan and Dept of Mathematics University of Kolkatta
