About the Institute

Government Polytechnic, Jalgaon, was established in 1960. The institute is governed by the Government of Maharashtra and approved by the All India Council for Technical Education (AICTE) and Pharmacy Council of India (PCI), New Delhi, to offer technical-level diploma and post-diploma program in engineering, technology, and pharmacy as per the norms of the Maharashtra State Board of Technical Education (MSBTE), Mumbai. The campus is spread over a land area of 52 acres. Under a World Bank-assisted project implemented during 1992–97, infrastructure facilities have been enhanced and High-Tech equipment has been procured. The institute offers a need-based continuing education program, testing, and consulting services to businesses and industry, as well as services to the community through technology transfer. This year, our three departments- IT, Electrical, and Pharmacy are accredited by the NBA.

Vision of the Institute

"To be a premier institute for transforming learners into competent technicians and pharmacists."

About the Department of Pharmacy

Our **pharmacy department** was established in **1964**. Our department features well-equipped labs, a library, a medicinal plant garden, and a modern classroom, as well as competent and experienced staff. We have received grants from DTE Mumbai and MSBTE Mumbai each year to organize FDPs and state-level paper presentation competitions for students. Since 2013, we have earned an "**Excellent**" rating in academic monitoring from MSBTE Mumbai. During the lockdown, we have instructed around 5000 faculty members on how to transform education using modern pedagogical methods. We have established an **SPDC cell** in our department to assist SC/ST students in improving their skills and personalities. The AICTE, New Delhi, has sanctioned us a **MODROB grant** to help us update our lab facilities. We have initiated a self-financed **NSS unit** for the social and national development of our students.

Our pharmacy department has achieved **National Board of Accreditation (NBA)** in its first attempt **up to six academic years (2029-2030 (till June 30, 2030))**, reflecting a high level of excellence and compliance with the standards set by the NBA. It's a significant accomplishment for our department, demonstrating our commitment to quality education and infrastructure. Our department is convinced that education is the most important facilitator of social change and a doorway to a better society.

PRINCIPAL'S MESSAGE

Dear Readers,
Greetings,

I am delighted to deliver the Institute's Newsletter for the month of July 2024. The current newsletter contains a wealth of information about recent events, noteworthy faculty research, and notable alumni accomplishments. The department has been accredited by the National Board of Accreditation for six years, demonstrating its commitment to high education and pharmacy excellence. The biochemistry lab was recently rebuilt with the assistance of AICTE New Delhi's MODROB initiatives. At the intercollegiate level, our students excelled in sports as members of the IEDSSA. It was amazing to see so many local and international alums back at their alma matter.

I congratulate team "Mrudgandha" for their hard work to make this quality newsletter.

Best Wishes,

Dr. Parag M. Patil,

Principal (I/C)

HOD's MESSAGE

Dear Readers,

I am delighted to present the current issue of our newsletter. The major strength of the department lies in our team of well-qualified and dedicated faculty members who consistently support our students in achieving academic excellence. This year, Our department has been accredited by the NBA for six years, showcasing its commitment to high standards of education and pharmacy excellence, backed by diligent efforts from faculty, staff, and all stakeholders. We had the privilege of organizing a State Level Technical Paper Presentation Competition for Diploma Pharmacy students, sponsored by MSBTE. Additionally, the department has arranged visits to hospitals, medical stores, medicinal plants garden, and other co-curricular activities to promote the overall development of our students. I would like to take this opportunity to congratulate the "Mrudgandha" team for their outstanding efforts in making this newsletter a reality. I also invite our readers to contribute their ideas and suggestions for the forthcoming issues.

Thank you for your continued support and collaboration.

Best regards,

Dr. Chaitali R. Pawar,

Head of Pharmacy Department (I/C)

FROM THE EDITOR'S DESK

Dear Readers,

We are pleased to present the July 2024 edition of the Department of Pharmacy Newsletter (Mrudgandha 2024) to you. We would like to express our appreciation to our alumni for their ongoing support and encouragement. Our Department activities, faculty contribution, which have been featured in this issue. We have upgraded our laboratory with cutting-edge equipment. We applaud our students on their accomplishments in academics, MSBTE examination, and sporting events.. Recently, our department has been accredited by NBA for six years.

We'd like to take this opportunity to thank our readers for their insightful feedback. We are hoping for the same.
